**Press Release**

In line with Government of India's vision and flagship scheme of Digital India, the Ministry of External Affairs has launched the SEWA- Indian consular Services system. This project is an initiative of Ministry of External Affairs of India to develop an online platform for various consular services as has been done in case of passports and visa services. This platform will enable Indian citizen and foreigners (where applicable) to apply online for various miscellaneous consular services at Indian Mission/Post abroad and even make payment digitally where feasible.

**The Embassy of India, Luanda will therefore be rendering all miscellaneous consular through the SEWA portal of the Ministry of External Affairs with effect from May 25, 2023. The portal can be accessed at <https://indianconsularservices.mea.gov.in>**

The detailed instructions including documents required, fee etc. for availing all miscellaneous consular services through SEWA portal are also given at the Embassy's website, <https://www.indembangola.gov.in/>
